Presents...

The Holocaust: History and Memory

THE HOLOCAUST was the state-sponsored, systematic persecution and annihilation of European Jews and other “undesirables,” by Nazi Germany and its collaborators, from 1933 – 1945.

This exhibit tells the history of the Holocaust and shares the memories of people who experienced it first-hand.

The exhibit was made possible by
The Sidney and Esther Rabb Charitable Foundation
and the
Sidney R. Rabb Charitable Trust
