## On your visit to the Holocaust Museum

We would like your visit to the Museum to be educational and informative. Our hope is that you leave understanding the Museum's Mission which is to *teach the lessons of the Holocaust to inspire action against bigotry, hatred, and violence.*

In order to promote the dignity of Holocaust Survivors, Liberators, and victims:

Please feel free to ask questions

Please use an *appropriate* voice level, do not run

Please **do not** touch artifacts, mannequins, or glass/Plexiglas cases

Please be polite and wait your turn

Note: Due to the nature of the Museum, be aware of disturbing images, artifacts, and concepts.

We want you to be comfortable in a Museum setting and hope you visit our and other Museums in the future.
